THE CHALLENGES

Heavy Traffic • Vandalism
Comfort & Safety • Privacy • Gender-Inclusivity

HISTORICAL

Educational facilities face heavy traffic, vandalism risks and limited budgets.

Durability and value will always be critical.

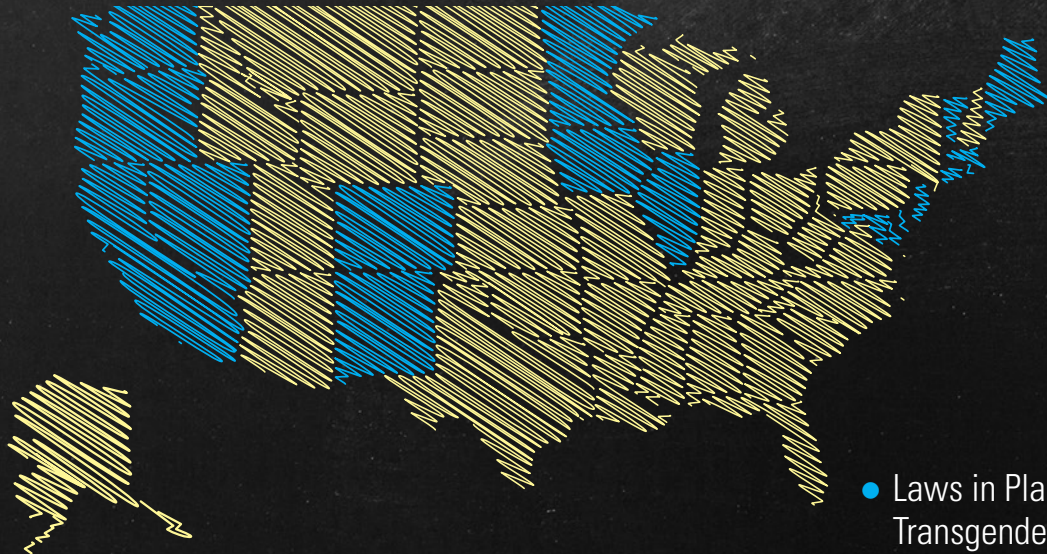

CONTEMPORARY

Privacy and inclusivity are increasingly an expectation among school districts.

Privacy and gender-inclusivity are becoming necessities.

DID YOU KNOW?

At least 16 states have laws protecting the right to use the restroom of one's choosing in public facilities. Nationwide all school districts are evaluating accommodations.

● Laws in Place Protecting Transgender Access

THE SOLUTIONS

TRADITIONAL SIERRASERIES®

CELEBRATING MORE THAN 15 YEARS!

For maintainability, cleanability with privacy options. Recommended for K-12 facilities.

- Solid Color Reinforced Composite (SCRC)
- Scratch, dent, moisture, impact resistant
- Non-ghosting graffiti removal
- Gap-Free doors and panels

EVOLVE CUBICLES

Privacy, durability and value come standard. Recommended for higher education facilities.

- Compact Grade Laminate (CGL) with Anodized Aluminum Framing System
- Durable, solid-core construction
- 9" floor clearance
- No sightline privacy

DURABILITY, VALUE & PRIVACY
